Tallahassee National Cemetery was dedicated May 22, 2015. The 250-acre national cemetery in Tallahassee, Florida, will serve the burial needs of more than 83,000 veterans and their spouses and dependent children in the cemetery's service area over the next 100 years. The Department of Veterans Affairs purchased the land in Leon County in August 2012 for \$6.8 million.

## U.S. ARMY MEMORIAL MONUMENT TALLAHASSEE NATIONAL CEMETERY

We are the Army Strong of Tallahassee Committee made up of mostly veterans. Our goal is to raise funds for the U.S. Army Memorial Monument to be placed in the Tallahassee National Cemetery located in the Memorial Walkway.

The monument will be an actual size cast bronze replica of the Battlefield Cross using Viet Nam era boots, helmet, dog tags and M16. It will be mounted on a three ft. tall green granite pedestal with engraved commemorative wording and an Army seal.

We are circulating this brochure to ask individuals and businesses donate to the production of this memorial monument to insure all the men & women veterans of the U.S. Army who perished will be remembered in perpetuity by everyone. Can you help?
